

PE and Sports Premium

April 2024 - March 2025

Our intent for all pupils at Westgate CP School is to teach a high-quality physical education curriculum that inspires all pupils to succeed and excel in competitive sport and other physically demanding activities. It should provide opportunities for pupils to become physically confident in a way which supports their health and fitness. Opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect.

It is expected that our school will see an improvement against the following 5 key indicators:

- 1) The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- 2) The profile of PE and sport being raised across the school as a tool for whole school improvement
- 3) Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4) Broader experience of a range of sports and activities offered to all pupils
- 5) Increased participation in competitive sport

Key achievements to date until July 2024:	Areas for further improvement:
<ul style="list-style-type: none"> • Clarke Coaching clubs are well attended • HAF activities during the holidays are based at Westgate and offer a number of free places for our PP children. Because Westgate is the venue for the activity club, we are offered termly taster sessions, which allow 4 classes at a time to experience a wider range of sports. • Rise and Shine cricket taught a unit of work in KS2. This was good CPD for staff and increased staff confidence in the teaching of cricket. • High quality PE scheme of work is fully embedded, which has increased staff confidence in teaching PE • Being part of the Bury School Games initiative has increased opportunities for pupils to take part in competitive sports, particularly in UKS2 • Bikeability sessions continue to be in place for pupils in UKS2 • Our annual Healthy Body, Healthy Mind Day focuses on promoting participation in a variety of sports and healthy lifestyles • The school has a clear focus on Mental Health awareness with trained staff in place to support individual needs • Lunch buddies and sports leaders have been introduced to support EYs and KS1 children at lunchtime • Experience days have given the children wider opportunities • Westgate kit for sporting events 	<ul style="list-style-type: none"> • Increase range of after school clubs, especially for children in EYFS, KS1 and LKS2 • Provide increased opportunities for pupils to take part in competitive sports • Review and upgrade playground resources and equipment to encourage imaginative, independent, cross year groups play at lunchtimes • Provide a focused leadership training programme for the UKS2 children so that they can lead some lunchtime activity with the younger pupils • Develop website page to showcase PE and physical activity at Westgate

This will be supported by a designated staff member in order to ensure sustainability. Develop role of Lunch Buddies to support active play and to ensure equipment safely stored	REJB checks and repairs = £700	Enhanced leadership skills, sense of fair play and positive pupil commitment and self-esteem for UKS2 sports leaders and lunch buddies.
