### Year 5 and 6 Permission to Walk, Scoot or Cycle to and from School Independently

Dear Parents and Carers,

From Year 5, we allow the pupils to walk, cycle or ride their scooter to and from school independently with signed consent. **This permission covers Year 5 and 6 pupils only.**

Please note that this is only permitted during **normal school hours (arriving at 9.00am and leaving at 3.30pm)**. If your child attends either Breakfast Club and/or any After School club or activity, they must be dropped off and collected by an adult (aged 18 or over). If this causes you any difficulties, please get in touch.

If you are giving your child consent to walk home, they **must have a mobile phone, with the school and parents contact numbers saved. The phone must be handed to the class teacher as soon as your child comes into school.**

Please note, we also ask that school is given the child's mobile number, which the office will also store on our system. This is in case school needs to contact the child, in an emergency, when walking to or from school. Please add this to the permission slip.

If you would like your child to **independently** walk, cycle or bring their scooter to and from school **during normal school hours**, please complete and return the attached permission slip. Please also speak to your child about road safety and stranger danger. If your child will come to school on their bike or scooter, we ask that they wear a helmet.

Without your written permission, pupils cannot leave the school site unaccompanied.

If you wish to change this at any point, please contact the school office.

If your child is unwell it is essential that you telephone the school before 9.00am every morning that they are absent from school.

Please be aware that we reserve the right to remove permission..

Please note if your child does not have their phone in school/it is not charged, you will be asked to collect.

If you have any questions, please do not hesitate to contact us.

Kind Regards,

The School Office
